## Sallie Davies Leads In Queen Contest

Miss Sallie Davies, who hopes to spend her 22nd birthday July 4 ruling over the Fourth of July Rodeo and Celebration in Redwood City, jumped into the lead in the contest to select a queen for the gay event.

She deposited rodeo ticket stubs worth 17,300 votes at the office of the Peninsula Celebration Assn. in the city hall. Queen standings Wednesday were as follows:

| | |
|---|---|
| **Sally Davies** | 22,800 |
| **Anne Crowley** | 8,750 |
| **Carolyn McGarrigle** | 5,000 |
| **Mickey Zwierlein** | 5,000 |
| **Lu Doyle** | 5,000 |

But whether or not Miss Davies would hold her lead for long was problematical, for sales were reported good by other contestants. Miss Doyle, entrant of the Redwood City Woman's Club, went to Livermore last Sunday and sold tickets at the rodeo there.

Miss McGarrigle, entrant of the Eagles Lodge, plans to attend the midget auto races in San Francisco Friday night to boost the rodeo and sell tickets. She will present the winner of the races with a cup. Several district Eagles' meetings in the near future will be graced by the presence of the 20-year-old brunette, according to D. F. Peters, aerie president.

Tickets for the five contestants have been placed on sale at many business locations. Chairman for the various clubs have announced locations as follows:

**Miss Doyle:** Midway Creamery, Redwood City; Peacock Inn, Little Store, Hitch-Rack, Canada Road Riding Academy and Gordon Coryell, insurance, all in Woodside; C. W. Hulse, contractor, San Francisco.

**Miss Davies:** Sport Club, Band Box, Hilo Club, Tonga Club, Ideal Café, Club Deacon, Coats Cigar Store, Yellow Cab office, Boots & Saddle Club, Stork Club, Harold's Club, Yorkshire Clothes.

**Miss McGarrigle:** Sport Center, Redwood Cab Co., E. A. Fletcher, Insurance; T. A. Sterling at Oleson Motors, Andrew Norris at West Bay Motors, W. R. Laing at Pacific Portland Cement Co. plant, Clifford Friegang at Redwood City Nursery, J. R. Milam and Arnold Rose at the Post Office, J. J. Lawrence at National Motor Bearing Co., Marie Micali at Sequoia Theater, Heiberg's Bowl, Coocoonut Groove in San Carlos, Prinetti Rio Grande at Millbrae, Jess' Cocktail Lounge, Peanut Farm at Woodside.

**Miss Mickey Zwierlein,** Exchange Club candidate: Holmquist Hardware, Hearne's Department Store, Primo's Smoke Shop, Sequoia Pharmacy, Bank of America, First National Bank, Towne Motors, Davies Auto Co., Star Advertiser, Country Store at Woodside, Zwierlein's shoe stores in Palo Alto and San Mateo.

**Miss Anne Crowley,** San Mateo County Horsemen's Assn. entrant: McDonald & Cryer's garage and with members of the association.

## Soap Box Derby Resumed in R.C.

The Soap Box Derby, nation-wide racing car contest for teen age boys, which before the war was an annual event, is returning to Redwood City this summer, according to Al Davies, local derby chairman.

Under the sponsorship of the Chevrolet Motor Car Co. and the Tribune, the race will take place this summer. The first 10 finishers will be sent to San Francisco for the Northern California finals. Winners there will be sent to Akron, O. for the national championship.

Closing date for local entries is June 15, Davies said.

The contest is open to boys who are 13 and who will not reach their 16th birthday by Aug. 18. One of the prizes at the Akron finals, all expenses to which are paid by the auto firm, is a four-year university scholarship.

Information for the contest may be obtained from Gene Lundin at Davies Auto Co.

## Gymkhana Club Show Set for June 22, 23

San Mateo's 17th annual Gymkhana Club horse show will be staged on the club grounds June 22 and 23, it was announced Monday by Edwin F. Peabody, general manager of the show. Closing will be Sunday. The show, which will include contests for novice jumpers, green hunters, exhibitors of horsemanship and polo stake races.

## Judge Scott Deplores Increasing Divorce Rate

Superior Judge Edmund Scott, in reviewing the impression of his first three months in office, was on record here as criticizing the flood of postwar divorces which he described as marking the breakdown of people who are forgetting that the home is the bulwark of the nation.

Judge Scott, speaking Tuesday before the Burlingame-San Mateo Kiwanis Club on a Flag Day program, also criticized the growing number of alcoholic cases involving women, and the lack of care given veterans who have "cracked up."

Excessive use of alcohol, the judge said, is one of the chief causes for "the shocking increase" in divorce cases. He said he was astonished and saddened by the number of women alcoholics who appear before him.

**"No nation can be stronger than the family, so how can the nation fight this defect when homes are being wrecked right and left?" the judge asked.**

The aftermath of divorces can be seen in the fact that many criminals and many persons asking divorces are the products of broken homes, he pointed out.

The new county superior court judge, appointed in February by Governor Warren to succeed the late Judge Maxwell McNutt, repeated criticism he has voiced before that veterans' facilities are not meeting the full responsibilities of veterans' care.

**He singled out as an illustration the incident of a San Francisco veteran who allegedly had been refused admission, the judge said, to the veterans' facilities at Palo Alto and at Fort Miley and had then attempted suicide by jumping off a building.**

Judge Scott, who announced recently that he plans to name a new grand jury in the near future, said that he was going to appoint a jury "which will have no fish to catch and won't be partial to any election campaign."

"I want courageous people on the jury who will call them as they see them and will be fair-minded," the jurist declared.

## Four R.C., Woodside Men Receive Releases From Navy

Four Redwood and one Woodside navy men have been released from the service, according to the public relations office of the Personnel Separation Center at Shoemaker.

**Aubrey Birchfield,** son of Mr. and Mrs. Woodrow W. Birchfield, 532, Winslow Ave., was discharged as a fireman second class after nearly two years' service. He is a graduate in the 1944 class of Sequoia High School. Birchfield was assigned to a light cruiser in Task Force 38, following his basic training in San Diego. He was later transferred to a destroyer in the Third Fleet shortly before his return to the States.

Birchfield is planning to attend a dramatic school in New York City preparatory to a career on the stage.

**John F. Fritz,** 20, son of Mr. and Mrs. P. J. Fritz, 1119 Madison Ave., received his discharge as a storekeeper technician third class. Fritz entered the navy in June, 1944, shorly after his graduation from Bellarmine High School in San Jose. During his overseas duty, he was stationed on Guam.

He is planning to go to Santa Clara University in the fall.

**Kenneth C. Sjoberg,** 19-year-old son of Mr. and Mrs. Carl Sjoberg, 334 Hudson St., was discharged as a radioman third class after two years' service.

Sjoberg was graduated from Sequoia High School in June, 1944, and entered the navy shortly thereafter. He was sent to the Great Lakes Naval Training Station for his basic training and later to a technician school in Chicago. He was transferred to Los Angeles where he attended a radio school. His overseas duty was in the Pacific theater, as radioman on a destroyer.

He is planning to continue his education in the fall.

**John N. Duzanica Jr.,** 20-year-old son of the recently reelected Portola School Board member and Mrs. Duzanica, of Portola Rd., Woodside, has returned to civilian status after two years' service. He was graduated from Portola School and from Sequoia High School and entered the navy in June, 1944.

He was discharged as an aviation machinist's mate third class and was stationed for several months on Tinian Island in the Pacific. He will continue his schooling in the fall at one of the local colleges.

## Hospital Patient Dives Out Window

SAN MATEO—Charles Johnson, 35, of Millbrae was recovering at Community Hospital from injuries suffered Saturday night when he dove through a window at the hospital in an attempted escape.

Johnson, who was taken to the hospital Saturday afternoon for observation, climbed through a narrow transom of his locked room, and made a 12-foot dive through a solarium window to the ground, cutting both hands severely.

He then removed his hospital gown and clad only in shoes, ran down 39th Ave. His flight and capture by two ambulance drivers were witnessed by many residents.

## Wife Gets Ownership Of Ice Cream Firm

Ruth Ellen Kane Monday was granted an interlocutory decree of divorce from Harry T. Kane and was granted sole ownership of Kane's French Custard Ice Cream Co. in Palo Alto by Superior Court Judge Edmund Scott.

Mrs. Kane was granted custody of their children, Delia and Sue Ellen, $100 monthly support for the children, and approval of a property settlement.

## County to Investigate Health Dept.

The San Mateo County Dept. of Public Health and Welfare Monday appeared slated for an efficiency survey as supervisors, meeting for a public hearing on the 1946-47 budget, disclosed their approval of a probe.

Although the supervisors took no official action, they heard Herbert A. Olson of the Public Administration Service estimate a study would cost approximately $4200.

**According to E. R. McDonald, chairman of the board, the expenditure will probably be made.**

**"We want to find out if the department is over-staffed, understaffed, and if we're getting the right coordination," he said.**

Olson, called before the board at the request of Supervisor Thomas L. Hickey, said the survey would require four months.

Olson's appearance for the private organization which studied Redwood City government in 1940 preceded an official budget hearing.

Officers and members of the Civic League of San Mateo County were present Monday to question items in the budget which contained total departmental requests of $5,298,407.60.

Items totaling $3408 were added to the proposed budget as 52 accounts were heard.

Hearing on health department requests was begun at noon and supervisors and civic league members indicated first slashing would come in the salary item which is $29,967 over the 1945-46 alloted $122,240.

**"We all know the health department has been built up by pressure groups the past 16 years," McDonald of the board commented.**

The health department survey was suggested by Supervisor Hickey when budget requests were first made to the supervisors.

## School Recall Petitions In

About 90 per cent of the recall petitions circulated by the Citizens' Committee of the Ravenswood School District, asking for the recall of T. A. Callahan and Mrs. Helen Boyer, board members who voted to oust Roy L. Liddicoat as superintendent of schools, have been signed and will be turned over to the county clerk before the end of this week, according to Mrs. Edward H. Warne, committee spokesman.

The committee refused to announce Wednesday the number of signatures obtained to date, but maintained that the present total is well over the required 20 per cent of the registered voters of the district.

The county clerk is allowed 10 days to check the number and the authenticity of the signatures before turning the petitions over to the county superintendent of schools. Upon receipt of the petitions the county superintendent must order an election to be held not less than 35 days and not more than 40 days after the receipt of the petitions. This would set the election for a date around Aug. 1.

The recall action was instituted by the committee following the board meeting May 23 during which the board announced the selection of Paul H. Henry as the new superintendent.

## City Obtains New Police Car

Arrival of new equipment ordered by the Redwood City city government was announced Monday by City Mgr. E. W. Blom.

Blom said the city has received a 1946 Plymouth sedan ordered for the police department and 1200 feet of 12-inch pipe and 2300 feet of four-inch pipe which was ordered for the water department.

Still needed by the police department, he continued, are two automobiles and a motorcycle.

The pipe was ordered as part of a plan to bring the city's water system in line with present demands. The city has also ordered shipments of six-inch and eight-inch water pipes. Although delivery had been promised by July 1, Blom said he believed the recent coal strike would prevent manufacturers from making good their promises.

## $25 Stolen From Store

The theft of $25 from a cash drawer at Blake's Candy Store, 806 Main St., was reported Tuesday by Redwood City Police Lt. S. D. Wood. Wood said the theft was accomplished between Saturday and Monday after a door was left ajarney, were target shooting on Walsh as the owners, Mr. and Mrs. Rose Blake left their establishment for the weekend.

The theif, by police records, did not bother to lift any sweets.

## Charge M. P. Man, Son With Disturbing Peace

Emmett Huff, 2035 Garden St., Menlo Park, and his son, Daniel, Tuesday were charged with disturbing the peace on complaint of Robert Ferranti of Burlingame.

The two men, according to Ferranti's story to the district attorney, Rd. near Sandhill Rd., Menlo Park, road with their automobile and did fired guns that frightened horses and their riders nearby.

JUNE 30 A BIG DATE FOR ARMY MEN!

IF YOU have been discharged from the Army—if you held a grade and wish to retain it—if you have dependents—then *act now*. . . . June 30, 1946, is the last day on which you can enlist in the Regular Army and still take advantage of two important benefits . . . *retention of your old grade and family allowances.*

Family allowances for your dependents will be continued throughout your enlistment *only* if you enter the Regular Army before July 1, 1946.

If you have been discharged from the Army and wish to reenlist at your old grade, you must enlist within 90 days after your discharge. And before July 1, 1946. Think it over. Act now.

PERSONALIZED ATTENTION

To most people the phrase "Greyhound Service" means one thing above all others—the friendly, *personal* interest Greyhound folks take in helping their customers with every travel problem, in doing everything they can to assure each passenger a most enjoyable trip.

Greyhound's reputation for personalized service is no accident. From the very beginning, careful consideration for the welfare of its passengers has been the keystone of Greyhound policy. Drivers, agents and all personnel are carefully chosen and thoroughly trained to carry out this policy.

Today, Greyhound is rightly proud of the fact that a child, an elderly person, or people who have never travelled before can enter a Greyhound depot and be sure of getting safely, pleasantly to their destinations *—completely cared for all the way by Greyhound.*

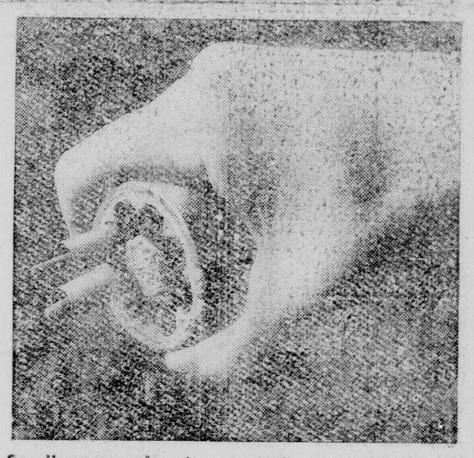
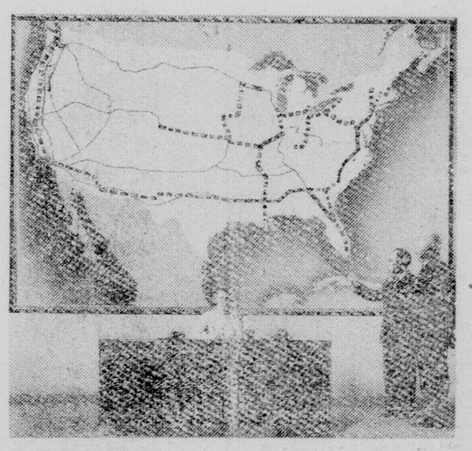
This pair of wires carries 480 long distance calls simultaneously



**Small copper wires** in copper tubes about the size of a pencil . . . yet nearly five hundred people can talk over them at the same time. They are units of the famous coaxial cable, developed by the Bell Telephone Laboratories to help speed your calls up and down the Pacific Coast and across the country.



**Work has begun** already on our part of the first transcontinental coaxial cable along the route shown (dotted line). It will be an eight-tube cable used for long distance calls and television transmission. Actually, this project is only part of our plans to extend and speed long distance service.

Many other improvements are on the way. For it is our purpose in our $400,000,000 five-year expansion program to provide an ever-widening, ever-improving telephone service . . . so that the telephone steadily becomes more valuable and useful to every user.

*Every day we seek to make telephone service even better than it has ever been before*

## Crossing Death Brings Attack On Railroad

A demand that rail crossing guards be uniformed and that they exercise greater care in carrying out their duties was voiced Monday by Redwood City City Councilman Floyd Granger. Recalling an accident Friday which took the life of Mrs. Helen St. Clair, 32, 154 Pine St., at the Broadway intersection with Southern Pacific Co., Granger again urged that the railroad company uniform its crossing guards in compliance with an agreement reached with the city several years ago.

**Granger said at that time the city agreed to close Beech St. to crossings if the company would uniform its Broadway guards so that they could easily be distinguished in their official capacity by pedestrians. Approximately a month after the agreement was reached, Granger charged, the guards stopped wearing uniforms.**

The councilman also claimed that guards take only one station at the intersection. He said that they should take various stations depending upon the direction of approaching trains.

In the Friday fatality Mrs. St. Clair walked eastward into the path of a southbound train after a northbound train had passed the crossing. Granger said that guards should cross to the side of the tracks on which the last arriving train would travel. At present, he continued, guards always take their station beside northbound tracks. If the guard on duty Friday had been following procedures recommended by Granger, he would have been beside the southbound tracks in a position to have stopped Mrs. St. Clair.

The councilman, who has raised the uniform question several times in city council sessions, said that guards alone could not prevent future accidents. He urged that the city paint warning signals on sidewalks approaching the tracks.

**Crux of the solution, however, rests in either an underpass or overpass, he said, claiming that pedestrians often walk under warning gates.**

John W. Ryan, chairman of the Redwood City Underpass Committee, said that the committee had no recommendations at this time to make regarding construction of either. He said the committee was stymied at every turn. The Southern Pacific Co., he said, has given indications that it will resist any attempt to have its tracks raised on an elevated causeway which would make an automobile and pedestrian underpass possible. He said that construction of an underpass which would send automobiles and pedestrians under present tracks would ruin property values near the intersection and that, in any case, apparently no funds are available for either project.

Police Chief C. L. (Mickey) Collins recalled that warning gates had been removed from the intersection on the demands of motorists. Because of the slowness with which gates operated, he explained, traffic jams occured when the gates were in operation. He said that when the nation's production again starts it may be possible to purchase a new type gate which would operate at a faster speed.

## Haircut Price Stays at Dollar

At least until June 19 the price of an ear lowering in Redwood City will remain at $1, Frank Ermey, secretary of Local 914 of the AFL Barbers Union, said Tuesday.

Ermey said that he had heard rumors that city barbers were planning to hike the price to the $1.25 figure now charged in San Mateo and Burlingame, but could not say if the proposal would be acted upon.

In any event, he said, the price cannot be raised until the next union meeting, June 19, in Palo Alto.

Al Cross, local president speaking from Palo Alto, exlained Tuesday that "Each city has its own local autonomy in such matters." Cross said that Redwood City barbers could raise the price merely by arranging a meeting and voting the increase.

Local 914 covers the territory from Mountain View to South San Francisco.

## Scouts Train Troop Leaders

Practical training in troop camping was given troop leaders of the San Mateo County Council, Boy Scouts of America, last weekend when a course of instruction at Camp Pescadero opened under the direction of C. K. Eisler, assisted by Chet Wilson and Don Earley.

William Jackson and Ed Shockley of San Carlos acted as patrol leaders for the instruction and others who participated in the study included L. W. Allen, William Stevens, Stanley Marcus and Joe Demma of Redwood City; Lloyd H. Gibbons and C. H. Rengstaff of San Carlos; and William Keegan, J. Froli, Floyd Beach and Ted Brown of Menlo Park.

The instruction illustrated the camping plan that will be in effect for the summer season at the new campsite in Memorial Park.

## George Gordon Yount Jr. Held on Driving Charge

George Gordon Yount Jr., 31, of 2081 Greenwood Ave., San Carlos, was released on $100 bail Tuesday after he was arrested by San Carlos police on a charge of drunken driving.

Police reported that Yount, without the owner's permission, took a car belonging to Joe Skanderup, who lives at the same address as Yount, and drove it along Greenwood Ave. for several blocks before crashing into a parked car in front of 1248 Greenwood Ave. Yount left the scene of the accident and when apprehended by the police, was in the rest room of a night club on El Camino Real.

Skanderup did not file a car theft charge against Yount, police said.

## BOY SCOUT NEWS

**Members of Redwood City Community Chest**

With the deadline for registration as June 17 for the first period of Camp Pescadero less than a week away, scouts of the San Mateo County today were requested by E. A. Barrer, scout executive to submit their applications for attendance at the campsite.

Camp Pescadero will open as scheduled on June 24 for the first period of two weeks duration, June 24 to July 8. Transportation to and from the camp is available by chartered bus. The round trip fare is $3 per scout. Buses will leave the corner of Howard Ave. and California Dr. in Burlingame at 9 a.m. Monday morning, June 24 and on July 8 and 15 for the second and third period of the camp.

Scouts are asked to take a bedroll, two complete uniforms, three suits of underwear, a small pillow, swimming suit, toilet articles, towels, pajamas, extra pair of shoes, writing material, flashlight, extra slacks, sewing kit, first aid kit and other incidentals to be packed in a single ditty bag or small suitcase.

Meals will be served in a central mess and will be prepared according to approved menu under the direction of a professional, experienced chef. It was pointed out that it is specifically requested that no candies or cakes be sent from home as meals will be adequate food for the program provided.

Every precaution will be taken in the division of health and safety to provide a safe experience at the camp it was said, with the swimming pool under competent lifeguards at all times and with a first-aid station being maintained at all hours on the camp-site.

Visiting days will be Saturday evening and on Sundays only.

A full program of hiking, handicraft and advancement projects has been planned with the camp organization being administered through provisional troops which gives boys the opportunity to develop leadership and to experience democratic living in the truest sense.

Among those who have registered this past week for the opening session of the camp are Gary Kahn, Julius Kahn, Marc Scriven, L. E. Scriven, James Mori, Bob Marquis, Mickey Kelleher, Ottie Bauer, Frank Roche, Gerald Ross, Bill Seitz, Richard Fowler, Robert Cathcart, Peter Hodgson, Ted Bjolstad, Richard Know, Don Van Housen, Allard Law, Marvyn James,

Bob Burrows, Richard Armstrong, James Rieder, William Jackson Jr., Earl Johnson, Donald McMillan, Lee Mendelson, Ross Bley, Raymond VonGunten, William Bewley, Seymour Abrahams, Bruce Schott, Roger Binkley, Donald Webster, David Whiting, Walter Laubscher, Harry Sembach, Morley Segal, James Thayer, Joe Smith, Bill Hagmeyer, Richard Fleming, Robert Pemberton, Harold Pemberton, Carl Walston, Conrad Cox.

Philip Forest, William Reynolds, Ken Harris, Breck Greene, Carl Whitman, William Keith, Guy Davis, Packy Serg, Robert Dolton, Neal Wilson, Paul Wyant, John Richardson, George McKinley, Lyle Olsen, Phil Noble, Boyd Mickley, Ronald Abrams, Robert Pinkerton, Eric Larson, Richard Marble and Jack Holland.

Scouts from the entire Peninsula area from South San Francisco to East Palo Alto are listed among those who will attend the camp.

★ ★ ★

**Troop 105, Redwood City:** The initial meeting in new quarters at the Congregational Church was officially opened by William Stevens, district commissioner, with the scouts extending a vote of thanks for the use of the social hall. A quiz program was featured and plans were made to attend the court of honor in San Carlos. T. J. Seitz was in charge of the meeting.

## Scout Program Starts June 15

The summer program of activities of the San Mateo County Council, Boy Scouts of America, will get off to a resounding start Saturday morning at 9 o'clock when a group of Air Scouts, Sea Scouts and Explorer Scouts, under the direction of Barney C. Williams, will start on a 25-mile, three-day scout trek through the Butano and Big Basin areas.

Nature study, compass work, map reading, tracking, signalling and camping skills of veteran woodsmen will, according to Williams, be featured in the trek, which is the start of the summer program sponsored by the several Community Chest organizations in the county.

Course of the trek will be from the new campsite on Pescadero Creek to Memorial Park, Butano Falls and the Big Basin country and will end Monday back at the starting point.

## Cotton OKs Split Of Sharon Estate

Superior Court Judge A. R. Cotton Monday authorized distribution of nearly $5,000,000 of the Louise Tevis Sharon estate.

None of the relatives of the late Menlo Park woman was present as one of the largest estates ever probated in California came one step nearer final distribution.

Lady Florence Breckenridge Fermor-Hesketh, daughter, received one-half of the stocks and negotiable securities distributed.

A grandson, John C. Breckenridge Jr., through attorneys, asked a week's continuance in the granting of a court order that would give him a quarter share.

The remaining quarter was granted to Frederick Fermore-Hesketh, John Breckenridge Fermore-Hesketh, Flora Fermore-Hesketh and Louise Fermore-Hesketh Stockdale, grandchildren.

Mrs. Sharon, daughter-in-law of the late Senator William Sharon, and daughter of Lloyd Tevis, died at her daughter's home in England in 1938.

Her estate, valued at approximately $15,000,000, was almost halved by payment of state and federal inheritance taxes, attorney and executor fees and other costs.

## Parrott Estate Brings $150,000

Sale of the Parrott estate, former home of one of San Mateo's pioneer families, was confirmed here with filing of a deed with Recorder T. Clark Rice.

The property was sold from the estate of the late Grace P. Hayne to C. V. Cunningham for an indicated price of $150,000.

Approximately seven acres of land and two large residences were included in the sale to Cunningham who now resides in San Carlos.

The new owner, a realtor and builder, plans to subdivide part of the property which is fronted on El Camino Real between Fifth Ave. and Maple Ave.

The transaction was handled by William Dowd Co. and deed was recorded at request of California Pacific Title Co.

## Children Share Tuchsen Estate

Petition to probate a holographic will of the late Hans C. Tuchsen of Redwood City was filed in superior court here Monday by Elena G. Tuchsen and Valentine C. Tuchsen, surviving children.

Mr. Tuchsen, who died in Redwood City on May 31, made his will on Apr. 6, 1946, the petition states.

Josie K. Moore, 150 Arch St., his housekeeper will receive $500 according to the will, and remainder of the estate which consists of real and personal property, is to be divided between the son and daughter.

Value of the estate is not known, the petition stated.

## Mormons Announce Church Reorganization

Expansion of the Mormon population on the Peninsula during the past few years has caused a reorganization of the church's local structure, it was announced Monday by officials of the Church of Jesus Christ of Latter Day Saints.

The original Burlingame ward, which had jurisdiction over all Peninsula cities between South San Francisco and Belmont, has been divided into Burlingame and San Mateo wards.

The Burlingame ward will have jurisdiction over church activities in Burlingame and all cities in the county to the north of Burlingame. The San Mateo ward will cover San Mateo and Belmont.

## Police Without Clue In Daly City Hit-Run Case

California Highway Patrol officers were without a clue in the hit-run traffic death of Giovanni Patroni, 69, Colma nurseryman, early Sunday morning.

CHP Sgt. Otto Schramm, who investigated the accident on El Camino Real near Market St., Daly City, said a thorough search of the roadside where Giovanni was struck revealed no debris that might lead to discovery of the death car.

To date, no witnesses have been found, Schramm said.

Patroni, well known in Colma where he had resided for a number of years, was apparently en route to his home at 12:10 a.m. Sunday when he was sideswiped by a car, Schramm said.

A study of the dead man's body indicated a second car had passed over him, crushing his chest.

Giovanni was pronounced dead at Junipero Serra Hospital where he was taken by county ambulance. His injuries included a compound skull fracture, broken leg and crushed chest.

## $40,000 Plant For San Carlos

Construction by the Husted Industries of a San Carlos plant for the manufacture of outboard motor boats, trailers, engines and marine supplies is half completed, Newell F. Sharkey, San Carlos Chamber of Commerce president said Tuesday.

The plant, owned by G. E. Husted of San Francisco, will be a two-story steel and cement structure at 770 El Camino Real. Sharkey said the owner hoped to have it completed by Aug. 1. Husted, he continued, plans to live in an apartment in the plant, changing his address from San Francisco. Sharkey estimated the cost of the new plant at $40,000.

## Gardener Asks $10,300 From Service Station

Shujido Inouye has asked $10,300 damages from two Menlo Park service station operators for injuries to his kneecap which was broken, he said, when an automobile fell from a hoist.

Inouye said he had taken his car to be greased when the accident occurred. He is a gardener and now unable to work, the complaint stated.

## Wife Deserted 29 Years Ago; Man Asks Divorce

John Davis, San Gregorio rancher, Tuesday filed complaint for divorce from Dolly Davis who resides in Venice, and charged she wilfully deserted him—29 years ago.

His complaint states the couple was married in Oakland on July 3, 1913, and separated Nov. 3, 1917. They have a son, Fritz, 32.

## Lt. Lester J. Green On Inactive List

Lt. Lester J. Green, USNR, 29-year-old son of Mrs. Mary Green, 1021 Arlington Rd., was placed on inactive duty at the San Francisco Personnel Separation Center last week, the public relations office there announced Tuesday and is now on terminal leave at his home.

Lieutenant Green, a graduate of Bakersfield High School, was in the merchant marine and held a reserve navy commission before being called to active duty in April, 1944. He was an engineering officer in the navy and saw duty in the Pacific Theater on the USS Severn, navy tanker, and on the USS Arthur Middleton, navy transport.

Lieutenant Green said today that he is planning to return to the merchant marine at the expiration of his terminal leave.

## Elmer B. Mortensen To Lead Toastmasters

Elmer B. Mortensen, Sequoia High School teacher, Monday was installed president of the Toastmasters' Club when the group met in the First Methodist Church for its final dinner meeting of the Summer. James Thomas, retiring president, was in charge of the installation ceremonies.

Others installed Monday included John Eshleman, vice president, Myron Harman, secretary-treasurer, and Ray Thompson as sergeant-at-arms.

The program, which included songs by Trini Mendivil, accompanied by Miss Jeanette Demma, and community singing under the direction of Earl Whitaker, was highlighted by an address by James Batchelor, director of the Redwood City Young Men's Christian Assn.

## No Program Here On Hotel Hazards

Apparently no additional action will be taken by city officials to prevent hotel fires in Redwood City such as the ones which killed 60 persons in Chicago and at least 16 in Dubugue, Ia.

Fire Chief Joe Lodi said that the Sequoia Hotel, Broadway and Main St., offered the possibility of a dangerous fire but at present he could see no way to move in on the threat.

He said that the hotel is not covered by a California fire prevention law because it was constructed before the law was passed and no law can be retroactive in its effect. Because of the urging of Ex-Chief Mark E. Ryan, he said, the hotel had constructed fire escapes last year but these alone would not prevent danger in the brick, masonry and wood building.

Lodi said the best preventive measure is regular inspection. Last year and again this year, he continued, the department has urged that the city council include funds in the annual fiscal budget for the maintenance of a fire inspection bureau. The funds were not appropriated last year and City Mgr. E. W. Blom said Tuesday that they were not included in a preliminary budget he has submitted to the city council.

Blom said the city did not have enough funds this year to pay a one-man inspection force believed necesary, but that the 1947-48 fiscal budget probably would include funds for such a project.

## S.S.F. Brush Fire Endangers Homes

SOUTH SAN FRANCISCO — A spectacular brush fire which swept over Industrial Hill, overlooking South San Francisco, and was halted by backfiring when it had reached within a half block of homes here Sunday, was being investigated Monday by city officials to determine if it was of incendiary origin.

Starting at Chestnut and Hillside Blvds., it spread rapidly on the hill and was brought under control only after a four-hour fight.

In serpentines, long lines of flame wound up and down the hillside, coming within half a block of homes on Park Way within the city.

South San Francisco firemen, aided by 20 volunteers, used shovels, wet sacks and back firing to stop the fire from engulfing homes. Firemen were handicapped by lack of water mains in the vicinity.

Fire Chief A. R. Brauns said "it was either set by boys or else caused by a careless motorist tossing a lighted cigaret into the dry weeds and brush."

## Marriages in County Show Increase in May

County Recorder T. Clark Rice has reported that 123 marriages were recorded in May compared to 102 for the same month last year.

Rice's office recorded 307 service discharges during the month. The office handled 5719 papers and collected $8997.83 in fees during the month, compared to 3352 papers and $5694.55 in May, 1946.

## Breeden's Ex-Wife Gets $1200 Month

Mrs. Katheryn K. Breeden of Woodside Heights Wednesday was granted an interlocutory divorce decree from John N. Breeden, wealthy San Francisco socialite, by Judge Edmund Scott.

Mrs. Breeden, who was granted $1200 monthly support for herself and two children, testified her husband drank considerably and was morose.

Breeden, son of the socially prominent Mrs. F. W. McNear, is part owner of the Butler Bldg. in San Francisco, and is now publicity officer of the San Francisco Real Estate Board.

Mrs. Francesca Howe was corroborating witness.

Judge Scott approved property settlement signed June 6 in which Mrs. Breeden receives the Woodside home.

## Woodside Woman Asks Divorce From Executive

Mrs. Katheryn K. Breedon of Woodside Tuesday filed complaint for divorce from John N. Breedon, San Francisco business executive.

Mrs. Breedon asks custody of their children, Joan, 14, and Marshall, 13, and court approval of a property settlement.

The couple was married in Santa Ana on Dec. 10, 1930, and separated Apr. 15, according to the complaint which charges cruelty.

## Hahn, Campbell Staff Here To Start City Master Plan

Employes of the San Mateo firm of Hahn, Campbell & Associates have started work in the Redwood City City Hall on a master plan for the city.

Expenditure of a sum not to exceed $8250 has been authorized by the city council for the plan which will cover the city's growth patterns, the placement of parks, streets and facilities.

Don S. Wilson, city engineer, said employes of the firm here were going over all records available in the city hall in an effort to cull those needed for a survey which will precede the drawing of the plan. When work in the city hall is completed, he said, the firm will then know what additional data it must gather.

During recent months the city council has postponed rezoning proposals and other city business in anticipation of the master plan which will be drawn before Jan. 1.

The city park and recreation committee has also hired a planner to draw plans covering installations at proposed city parks. This plan, the committee announced, will be tied into the master plan.

Findings of both planning groups will be used by the city in the expenditure of a $998,000 civic improvement fund voted in 1944.

## Daly City Woman Faces Delinquency Charge

Mrs. Josephine Michaelis, 33, Daly City woman, Tuesday was charged with contributing to the delinquency of a minor in a complaint signed by Asst. Probation Officer Anthony Lovoi.

Mrs. Michaelis admitted to probation officers that her home had been the scene of wild drinking and petting parties of 'teen-aged boys and girls.

### AUTO FIRE ON HIGHWAY

Redwood City firemen extinguished a minor automobile fire Tuesday at 7:40 p.m., pulling burning electrical wires from a vehicle at Maple St. and El Camino Real.

## Leaves Estate To Conservatory

Dorothy Lucy of Hillsborough who died in San Francisco May 3 left the residue of her estate, valued in excess of $10,000, to the San Francisco Conservatory of Music for construction of a new building. This was disclosed here when her will was filed for probate in superior court here.

Miss Lucy's estate will be held in trust for an aunt now residing in a home for the aged in San Francisco, and upon her death will revert to the conservatory.

A brother in Los Gatos and three cousins will benefit from special bequests in the will.

Ice cubes tinkling against the glass in a pitcher of delicious iced tea make a sound that most folks like to hear on a warm day. It's a signal for welcome refreshment. Served hot or iced, tea is a year-round favorite . . . a beverage with a lift, a compliment to the food on your table. Be sure to keep a supply of your favorite kind of tea on hand. Get it at a money-saving price at your Safeway store.

### 3 cooling beverages for warm days

If you're seeking ways to reduce the temperature these days, then look to our refreshing notes on iced tea drinks. They're guaranteed to make the warmest days seem fair and cooler.

ICED TEA—For truly delicious, full-flavored iced tea, always make it fresh and in double strength. Allow 1½ to 2 teaspoons tea for each standard measuring cup of boiling water. Pour the water, freshly boiling, over tea in heated earthenware, china, pottery, or glass container, cover and steep 5 minutes. Strain immediately and pour over cracked ice or ice cubes.

SP-ICED TEA—Pour 4 cups freshly boiling water over 8 teaspoons tea in heated container. Add 2 or 3 mint leaves and ½ teaspoon allspice. Cover and steep 5 minutes. Strain immediately and add 1 cup orange juice and ½ cup lemon juice. Pour over ice and sweeten to taste with honey or sugar. Serves 6 generously.

FRUITED TEA PUNCH FOR THE CROWD

| | |
|---|---|
| 4 qts. freshly boiling water | 4 cups grapefruit juice |
| 1 cup tea | 4 cups orange juice |
| 4 cups sugar | |
| 4 cups pineapple juice | 1 cup lemon juice |
| | About 15 lbs. ice |

Pour boiling water over tea in heated container; cover and steep 5 minutes; pour tea from leaves at once. Add sugar immediately and stir until dissolved; chill. Add fruit juices and pour over ice or ice cubes. Garnish with thinly sliced oranges. Serves 40 to 50.
